#### **MAGIC**

#### Languages

Common, Draconic, Orc

#### Other Companions

#### Traits

#### **Battlefield Disciple**

[Paizo Publishing -Ultimate Campaign,

You are skilled at supporting your allies in the heat of battle. You gain a +2 trait bonus on Heal checks made to stabilize a dying creature. In addition, when you successfully use the aid another action in combat to grant an ally a bonus on her next attack roll, the bonus you grant increases by 1.

#### Spirit Sense

[Paizo Publishing -Ultimate Campaign]

You are so attuned to the spiritual world that it is hard to get the jump on you. You gain a +2 trait bonus on Perception checks to avoid being surprised and to detect invisible or incorporeal creatures.

#### **Special Qualities**

#### Channel (Su)

[Paizo Inc. - Advanced Class Guide, p.42]

You can unleash a wave of positive energy. You must choose to deal 2d6 points of positive energy damage to undead creatures or to heal living creatures of 2d6 points of damage. Creatures that take damage from channeled energy receive a DC 11 Will save to halve the damage. You can use this ability 1 times per day.

## Familiar's Alertness ability active (Ex)

[Paizo Inc. - Core Rulebook]

PC has a familiar that has the Alertness (Ex) ability and it is within arms' reach, the master gains the Alertness feat.

#### Feral

[Paizo Inc. - Advanced Race Guide, p.]

Half-orc children who are abandoned as infants or small children rarely survive in the wild, but a few manage to scrape out a meager existence as "wild children," tough enough to live but completely uncivilized. Feral half-orcs have the forest walker and toothy alternate racial traits.

#### Forest Walker

[Paizo Inc. - Advanced Race Guide, p.52]

More at home in the forests and jungles of the world, these half-orcs are well adapted to their surroundings. Half-orcs with this trait have low-light vision and gain a +2 racial bonus on Climb checks.

## Fortune (Su)

[Paizo Inc. - Advanced Class Guide, p.36]

The shaman grants a creature within 30 feet a bit of good luck for 1 rounds. The target can call upon this good luck once per round, allowing it to reroll any ability check, attack roll, saving throw, or skill check, taking the better result. The target creature must to decide to use this ability before the first roll is made. Once a creature has benefited from the fortune hex, it cannot benefit from it again for 24 hours.

#### Hex

[Paizo Inc. - Advanced Class Guide, p.35]

A shaman learns a number of magical tricks, called hexes, which grant her powers or weaken foes. Using a hex is a standard action that doesn't provoke an attack of opportunity unless otherwise noted. The saving throw DC to resist a hex is 14.

#### Intimidating (Ex)

[Paizo Inc. - Core Rulebook, p.25]

Half-orc receive a +2 racial bonus on Intimidate skill checks due to their fearsome nature.

## Life (Spirit)

[Paizo Inc. - Advanced Class Guide, p.41]

Spirit Magic Spells: detect undead (1st), lesser restoration (2nd), neutralize poison (3rd), restoration (4th), breath of life (5th), heal (6th), greater restoration (7th), mass heal (8th), true resurrection (9th)

Orc Blood (Ex)

[Paizo Inc. - Core Rulebook, p.25] Half-orc count as both humans and orcs for any effect related to race.

#### Orisons [Paizo Inc. - Advanced Class Guide, p.35]

Shamans can prepare a number of orisons, or 0-level spells, each day. These spells are cast like any other spell, but they are not expended when cast and may be used again.

#### Spirit (Su) [Paizo Inc. - Advanced Class Guide, p.35]

A shaman forms a mystical bond with the spirits of the world. She forms a lasting bond with a single spirit, which grants a number of abilities and defines many of her other class features. If the shaman takes levels in another class that grants a mystery (such as the oracle), the spirit and mystery must match, even if that means one of them must change. Subject to GM discretion, the shaman can change her former mystery or spirit to make them conform.

#### Spirit Animal (Ex)

[Paizo Inc. - Advanced Class Guide, p.35]

A shaman forms a close bond with a spirit animal tied to her chosen spirit. This animal is her conduit to the spirit world, guiding her along the path to enlightenment. The animal also aids a shaman by granting her a special ability. A shaman must commune with her spirit animal each day to prepare her spells. While the spirit animal does not store the spells like a witch's familiar does, the spirit animal serves as her conduit to divine power. If a shaman's spirit animal is slain, she cannot prepare new spells or use her spirit magic class feature until the spirit animal is replaced.

#### Spirit Magic

[Paizo Inc. - Advanced Class Guide, p.35]

A shaman can spontaneously cast a limited number of spells per day beyond those she prepared ahead of time. She has one spell slot per day of each shaman spell level she can cast, not including orisons. She can choose these spells from the list of spells granted by her spirits (see the spirit class feature and the wandering spirit class feature) at the time she casts them. She can enhance these spells using any metamagic feat that she knows, using up a higher-level spell slot as required by the feat and increasing the time to cast the spell.

#### Toothy

[Paizo Inc. - Advanced Player's Guide, p.19]

Some half-orcs' vestigial tusks are massive and sharp, granting a bite attack. This is a primary natural attack that deals 1d4 points of piercing damage. This racial trait replaces the orc ferocity racial trait.

#### Weapon and Armor Proficiency

[Paizo Inc. - Advanced Class Guide]

A shaman is proficient with all simple weapons, and with light and medium armor.

#### Weapon Familiarity (Ex)

[Paizo Inc. - Core Rulebook, p.25]

Half-orcs are proficient with greataxes and falchions, and treat any weapon with the word "orc" in its name as a martial weapon.

## Feats

## Channel Smite

[Paizo Inc. - Core Rulebook, p.119]

You can channel your divine energy through your weapon.

Before you make a melee attack roll, you can choose to spend one use of your channel energy ability as a swift action. If you channel positive energy and you hit an undead creature, that creature takes an amount of additional damage equal to the damage dealt by your channel positive energy ability. If you channel negative energy and you hit a living creature, that creature takes an amount of additional damage equal to the damage dealt by your channel negative energy ability. Your target can make a Will save, as normal, to halve this additional damage. If your attack misses, the channel energy ability is still expended with no effect.

### **Guided Hand**

[Paizo Inc. - Ultimate Combat, p.103]

Your deity blesses any strike you make with that deity's favored weapon.

With your deity's favored weapon, you can use your Wisdom modifier instead of your Strength or Dexterity modifier on attack rolls.

## Alertness (Granted)

[Paizo Inc. - Core Rulebook, p.117]

You often notice things that others might miss.

You get a +2 bonus on Perception and Sense Motive skill checks. If you have 10 or more ranks in one of these skills, the bonus increases to +4 for that skill.

#### Domains

## Life (Spirit)

#### Proficiencies

Battle Aspergillum, Bayonet, Bite, Blowgun, Boar Spear, Brass Knuckles, Cestus, Club, Heavy Crossbow, Light Crossbow, Dagger, Punching Dagger, Dart, Falchion, Gauntlet, Spiked Gauntlet, Grapple, Greataxe, Javelin, Longspear, Heavy Mace, Light Mace, Mere Club, Morningstar, Quarterstaff, Rock, Shortspear, Sickle, Sling, Spear, Boar Spear, Ray Spells, Touch Spells, Splash Weapon, Stake, Unarmed Strike, Underwater Heavy Crossbow, Underwater Light Crossbow
